A PUBLICATION OF DOWNTOWN MONCTON INC

MORE GREAT DOWNTOWN DEVELOPMENT NEWS!

The Board of Downtown Moncton Centre-ville Inc. (DMCI) congratulates **Galco Holdings** on its recent undertaking at 890 Main Street. The building which most recently housed Frosting's Bridal and Women's Fashions, which has since moved into Highfield Square, is in the midst of a significant makeover. New building owner Stephen Gallant hopes the renovated space will encourage new business for downtown. DMCI believes projects like this help encourage more development and given Mr. Gallant's history as a long-time property owner in our downtown, DMCI recognizes his commitment to our core through his continued investments. This renovation, along with **Fortis Properties'** planned expansion of the **Blue Cross Centre**, adds to Downtown Moncton's appeal as a great place to invest for current tenants, as well as potential new developers. Hats off to Galco for its contribution in helping our downtown achieve its highest potential! If you might be interested in leasing space in the new building, Mr. Gallant can be contacted at 863-3306.

GOLFERS, GOLFERS EVERYWHERE, NARY A GREEN TO HIT!

Nothing could be further from the truth actually. This summer has been a record - number year for golfing tournaments in our region and the swinging won't stop any time soon! If you haven't registered for the **7th Annual Young Professionals Golf Tournament** yet, you better get on the ball! **Junior Achievement of South-eastern New Brunswick** is hosting their annual tourney at the new Fox Creek Golf Club in Dieppe, Friday, September 16th. Last year's event sold out and already, more than 100 golfers are already registered with a few more spots left. More than \$12,000 was raised in 2004 and the non-profit group has raised its 2005 goal to \$15,000. And did I mention the prizes? 10,000 hole in one prize & putt for cash, and of course a car is up for grabs for the person who aces the hole-in-one green. Sponsors are also still needed whether through cash or prize donations. For more info, contact Darrin Quigley at 857-8025.

Greater Moncton Family Show

There's still time for businesses to get in on one of Atlantic Canada's biggest events coming to the Coliseum the weekend of October 28-30, 2005. **The Greater Moncton Family Show** will showcase hundreds of family-related products and services aimed at enhancing family environments and quality of life. For more information on how to register, contact Family Promotions Enterprise at 387-7666 or via email at deschenc@nbnet.nb.ca.

Assumption Place Drop Zone

Downtown's "A" skyscraper will see some of Moncton's most fearless folks rappelling from its 20-storey structure on Tuesday, September 13th. The **Easter Seals Drop Zone** is the first charity rappel launched by the New Brunswick Easter Seals. The children's charity organization is encouraging people to support an individual who's making the "drop" or better yet, take the drop yourself! One of DMCI's own board members, **Rosalind Miller** from **Club Cosmo** fame, is taking the plunge herself! If you would like to make a donation, or for more information visit www.thedropzone.ca.

Every Friday is Daiquiri Night (\$4.50) at Bogart's Bar & Grill, 589 Main Street.
