A PUBLICATION OF DOWNTOWN MONCTON CENTRE-VILLE INC.

McSweeney Co. Dinner Theatre's new show "Almost Paradise" starts tonight!

"Almost Paradise" is set in present day Moncton at an emergency meeting of the Pan-Maritime Tourism Initiative, or PMTI. Tourism numbers are down all over the Maritimes! This group of go-getters wants to know why, and just what they can do to turn the situation around. As usual, however, not everyone has the same agenda and personalities clash as the group is swept into a hilarious series of misunderstandings. Join us to see what the outcome of the meeting is and if Maritime tourism will be saved, or if the bumbling misadventure will cost our province valuable tourist dollars!

Did you notice that the Pizza Delight Corp. sign on the Clinidata building has changed? Last fall, Pizza Delight Corp. changed its name to **Invescor Inc.** to better reflect the company today, which owns Pizza Delight, Mikes, Scores and Bâton Rouge restaurants.

The name Invescor is a combination of Company Founder and Executive Chairman of the Board, Bernard Imbeault's surname and the Latin verb "vescor" which means to eat or to feed, a fitting association for the company, which has almost forty years in the restaurant business.
