Moncton Art Studio Tours:

November 1st and 2nd from noon to 5 pm

For these two days, artists and galleries will open their doors to give the public a chance to "peek" into their studios, view their work, and learn about their artistic technique.

The Art Studio Tours are open to both amateur and professional artists and artisans. The tours aim to provide valuable exposure to local artists and raise the profile of arts in the community, all while allowing the public to learn more about local artists and the creation process.

Information and tour maps are available at Moncton City Hall, 655 Main Street (open Monday to Friday, from 8:30 a.m. to 4:30 p.m.), and on the City's website, moncton.ca (search words: studio tours).
