

Thursday July 2, 2009

**PRESS RELEASE
FOR IMMEDIATE RELEASE**

1st Annual Greater Moncton Golf Skills Competition

You are invited to the first Annual Greater Moncton Golf Skills Competition to take place at the Fox Creek Golf and Country Club in Dieppe on Thursday July 23rd 2009. This event will serve as a fundraiser for André Despres. Tournament registration is \$50 per person for lots of old time fun.

On November 2, 1988, in one short moment, André Despres life changed forever. At the age of 17, he sustained a devastating spinal cord injury while playing in a AAA high school hockey game and was left a quadriplegic. At this young age, he learned he would face many challenges and obstacles but, more importantly, he learned that hard work and perseverance could help me overcome them.

The organizing committee has recognized that the event should be one that allows the participants to have fun. Listed below, participants will compete for top prizes in the:

Men and Women Division

- 1) Longest Drive
- 2) Closest to the Pin
- 3) Best Putting

It's is all about bragging right...who is the best!!!!

Schedule:

- 5 pm: Registration
- 5:30 pm: Competition starts
- 8:30 pm: Results
- 9:00 pm: A special rockin' evening with family and friends at Roux.

Please join us for an evening of fun in support of this worthy cause.
