DOWNTOWN COMMUNITY GARDEN

A new Community Garden will soon spring up on a piece of land adjacent the Moncton Market. Downtown businesses are invited to form a gardening team to own a garden plot and raise fresh vegetables of their choice throughout the summer. Produce from the garden will be dropped off at the Moncton Market for distribution to food projects for families who would not have regular access to fresh produce. A meeting will be scheduled on May 17th to register gardening teams. A participation fee of \$50 per team will be required to cover the cost of establishing the Community Garden.
