## YOUTH ON THE RUN

Catch the **Youth Quest Central running group** as their Learn-to-Run program takes them along St. George St. and centre city neighbourhoods. The young men and women have joined the 10-week program in an effort to improve their fitness and can be seen in the early evening on Tuesdays and Fridays as their sneakers hit the streets. **The Moncton Rotary Club, The Running Room and Youth Quest Central** have collaborated to bring a running (and walking) program to youth-at-risk. Volunteers from each organization have coordinated everything from the clothing, footwear and speakers' series, to snacks, meals and prizes to encourage as many youth to participate in the program. Give a loud cheer when you see them!
