DOWNTOWN CENTRE BLUE SKY BRAINSTORMING WORKSHOP

Moncton City Council invites all Monctonians to a public meeting to discuss the proposed new downtown multi-purpose sports and entertainment centre. This is your chance to dream—and to tell Council what you think should be part of the proposed new facility. What do you think should be inside the facility itself? What should be part of the facility's outside space? And, what developments should be around the facility? Join us and help us think about what could be part of this proposed new downtown centre!
